

## **Surgerycentercoalition.org**

### **Founders and Co-Chairs**

A non-profit, educational resource group with over 1600 members that provides ongoing education and support to Administrators, Nurse managers, Physicians, Accountants and ASC personnel.

**Marcy Sasso, CASC;** has more than 28 years of administrative and management experience in the healthcare industry. Her experience encompasses a variety of leadership positions including operations, compliance, and marketing for multi-specialty Ambulatory Surgery Centers (ASCs) and hospitals.

With her many years of expertise, Marcy has assisted ASCs with achieving State and CMS licensure as well as AAAHC, AAAASF accreditations. She has extensive experience in the areas of policies and procedures, benchmarking, QA, staff education and MOCK SURVEYS. During her career she has participated in more than 60 CMS, state and accrediting surveys, from the actual survey through Plan of Correction. In 2014 Marcy launched Sasso Consulting, a full-service Compliance Company for Surgery Centers and Surgical practices.

In 2010, 2011, 2013 & 2014 she was named in Becker's ASC Review as one of the Top Women Leaders as well as one of the Top 50 National ASC Administrators in 2009-2011. SurgiStrategies recognized her in 2010 as "Who's Who. Marcy has contributed to Outpatient Surgery, Becker's ASC Review, Surgi Strategies and M&A publications. She was a featured speaker at the Annual ASCA Conference 2016, 2017, and Becker's October 2014 and 2015 Conference and Marcy presents webinars for organizations; ASCA and HCI.
