

**John Mak, MD, *Board Certified***

Dr. John Mak obtained his medical degree from SUNY at Buffalo School of Medicine and completed his Internal Medicine Internship at St. Luke's-Roosevelt Hospital Center-Columbia University College of Physicians and Surgeons. He subsequently completed his anesthesia residency at Harvard's Beth Israel Medical Center in Boston and Pain management fellowship at Tufts St. Elizabeth medical center. His areas of clinical expertise include treatment of neck and back pain of musculoskeletal and spinal in origin, neuropathic pain and cancer pain. He is also the acting director for Specialty Anesthesia Associates, an ambulatory anesthesia based group.

Dr. Mak comes highly recommended by his peers and associates for his technical skills in interventional procedures, as well as his outstanding work ethic, clinical judgment and gentle nature with patients.
